Hong Kong Financial Reporting Standards and Hong Kong Accounting Standards

The full convergence to International Financial Reporting Standards in Hong Kong has imposed significant changes in the accounting practice. Following the previous four workshops covering the financial services and manufacturing, the upcoming two financial reporting standard workshops will focus in the area of property development that should give a comprehensive coverage of the respective Hong Kong Financial Reporting Standards and Hong Kong Accounting Standards. Ample real-life cases and group discussions will be arranged to help members gain a better understanding of these standards.
